Here is the proposed agenda for the MOA meeting on 8/28/19. Please let me know if this is acceptable. I understand we may need to invite additional EPA participants to discuss enforcement.

Subject: Draft 8/28/19 EPA MOA Meeting Agenda + New proposed schedule

Hi Sam and Liz,

I have adjusted the schedule to push the off-ramp topic to a later meeting. I propose we discuss program oversight and compliance and enforcement coordination in our next meeting on 8/28.

I think this will be a natural topic transition based on our discussion yesterday.

Please find the draft agenda and new draft schedule attached.

I'd love some feedback either today or tomorrow, I'm out of office all next week.

Thanks!
Mark
